Product Description

16 9 Aspect Ratio HD Mini Projectors with High Contrast Ratio and Extra Features

Product Description:

T5 Projector is a home portable projector with HD mini LED, digital LCD and advanced technologies. It features a 50-200 inch image size, a 1.2:1 throw ratio, a 16:9 aspect ratio, a 10000:1 contrast ratio, and an Andriod 9.0 version. With its high-definition picture quality, this projector provides amazing viewing experience in any environment. Whether you are watching movies, playing video games or giving a business presentation, this projector is the perfect solution for all your entertainment needs. It is also a mini LED projector, which is small and lightweight, making it easy to move from place to place. Moreover, its low power consumption makes it energy-saving and cost-effective over the long run. T5 Projector is the perfect choice for anyone looking for a reliable, high-quality projector for the home or office.
