Support and Services:

T269 Projector Technical Support and Service

Our technical support and service team is available to answer any questions you may have about the T269 Projector.

Whether it's setting up the projector, troubleshooting or just general maintenance, our customer service team is there to help.

We provide support by phone, email, and online chat. We also have a knowledgebase with answers to the most frequently asked questions.

Packing and Shipping:

The packaging and shipping of the T269 Projector is done in accordance with our standard procedures. The projector will be shipped in a cardboard box that is designed specifically for the product. The box is sealed to protect the contents from dust and moisture. Inside the box is an instruction manual and all necessary cables and accessories for the projector. The box is then secured with bubble wrap and placed in a sturdy cardboard box for shipping. The box is labeled clearly with the product name and its destination.
