Product Description

Product Description:

The Smart Door Lock comes with all the necessary components, including the back handle, front single latch, strike plate, 2 mechanical keys, screws, and screwdriver. The polished finish adds a sleek and modern touch to any door. But what sets this lock apart is its fingerprint technology. With fingerprint door lock and fingerprint door knobs, you can easily and securely

Our Product

access your bedroom, back door, home, house, Airbnb, hotel, apartment, office, rental, garage, and more. No more worrying about losing your keys or forgetting your password. Simply use your fingerprint for quick and convenient access. And for added convenience, our Smart Door Lock also comes with remote control via the app. You can easily manage access from anywhere, at any time. Grant access to guests or employees, and revoke access just as easily. You can also receive notifications when someone enters or exits your space. In summary, the Smart Door Lock is a reliable and secure option for anyone looking for a fingerprint door lock with app remote control. Its durability, sleek design, and convenient features make it an excellent choice for homes, hotels, offices, apartments, and more. Don't settle for traditional locks - upgrade to the Smart Door Lock today!

Applications:

The T01 Smart Door Lock is specifically designed to provide a secure and convenient way to access your home or office. With its fingerprint door knobs, you can easily gain entry without the need for keys or codes. This makes it an ideal solution for those who are prone to losing their keys or forgetting codes. This smart door lock is perfect for a wide range of occasions and scenarios. Whether you need to secure your bedroom, back door, home, house, Airbnb, hotel, apartment, office, rental, garage, or any other space, the T01 Smart Door Lock is up for the task. One of the best features of this smart door lock is its app remote control. With just a few taps on your smartphone, you can easily lock or unlock the door from anywhere, giving you complete control and peace of mind. This feature is particularly useful for those who need to grant temporary access to guests or service providers. The T01 Smart Door Lock is lightweight, weighing just 1.1kg, and has a smooth rounded handle for easy grip and comfortable use. Its item dimensions measure 5.67 X 2.91 X 0.2 inches, making it compact and easy to install on any door. Overall, the Foxgard T01 Smart Door Lock is a reliable and convenient solution for anyone looking to enhance the security of their home or office. Its fingerprint door knobs, app remote control, and versatile usage scenarios make it a must-have for any modern living or working space.
